"Order Ship Date" is defined as the day in which the purchased unit was shipped, to the dealer, from Horizon-Trailers' Factory.

This limited warranty is your exclusive remedy and applies only to products that are new.

Please be aware, our warranty does not extend to damages such as abrasion marks, corrosive salt impacts, chemical-related deterioration, or impairments caused by shipping constraints.

EXCLUSIONS

1. Any failure or damage due to, or related to, negligence, accident, abuse, misapplication, or misuse of the unit will invalidate any and all warranties.
2. Incorrect use of loading, unloading, hauling, or general unapproved use of the unit, including but not limited to, exceeding the stated load capacity of the unit shall void any and all warranties.

5. **TIP-OVER & OVERTURN CLAUSE** This warranty covers defects in materials and workmanship and does not extend to damage resulting from the tipping, overturning, or roll-over of the unit. A tip-over is the result of how a trailer is loaded and operated rather than how it is built — caused, in whole or in part, by improper or uneven load distribution, loads exceeding rated capacities, unsecured or shifting cargo, towing at unsafe speeds, abrupt maneuvers, or road and terrain conditions. Because such events fall outside "Normal Use and Service" and beyond Horizon Trailers' control, any damage caused by, or related to, a tip-over or overturning event is not covered by this warranty and shall void any and all warranties on the affected unit. In such cases, the consumer will be responsible for covering the costs arising from such damage.

UNFORESEEABLE EVENTS CLAUSE & CONSUMER RESPONSIBILITY

The warranty provided by Horizon Trailers covers only damages and defects that fall within the guidelines set forth in this policy. Any damage or expenses caused by events beyond the company's control, such as unforeseeable events (including but not limited to natural disasters, accidents, acts of vandalism, and others), will not be covered by this warranty. In such cases, the consumer will be responsible for covering the costs arising from such damages.

Additionally, the consumer is informed that Horizon Trailers does not offer an extended warranty beyond the terms and conditions specified in this warranty policy.
